### Overview of Business Restructuring and Update 2nd Quarter 2013

Dear valued shareholders, dear Ladies and Gentlemen,

we are pleased to provide an update to the news release that the Company issued in March. The details of it are as follows:

#### Investor Relation

Management knows that all shareholders desperately are waiting for someone with whom they can discuss about the current status of the company. Therefore a new Investor Relation position was implemented where interested parties will get answers to their questions as well information about the ongoing business.

Please send an E-Mail to [ir@nwoil.org](mailto:ir@nwoil.org) or call telephone [+44 7418 4756 73](tel:+447418475673), leave a message and you will get a call-back as soon as possible. In this context carefully please read the Disclaimer below and note that all information will serve only for general purposes and are not meant as a tender to purchase or sell shares of NORTHWEST OIL & GAS TRADING COMPANY, INC.

#### New Website

Please have a look at our relaunched website [www.nwoil.org](http://www.nwoil.org). The site will be updated soon.

#### Annual Report 2012

The financial statement and balance sheets for the end of 2012 show an increase of the total assets up to roundabout 48 million EUR, mainly based on the acquisition of a stake in the Kandal Oil Company as well on the exclusive rights to distribute the advanced "Smart Cracker" refinery technologies in special nations. On the other side the net loss in 2012 increased up to roundabout 1.4 million EUR which is mainly due to impairments as well realized loss on mineral rights.

Precautionary note: Because of unsatisfying output we are in contrary discussions concerning the intrinsic value of the whole Joint Venture between NWO and Veron Consulting AG, Switzerland which will may have an influence on the financial statement, for example especially on the Kandal Oil Venture.

#### Annual General Meeting

Management is in preparation for the Annual Shareholder Meeting. Its planned to held the meeting in Europe to allow our numerous German shareholders to attend personally. To get a feeling how many shareholders will attend and to arrange for a suitable room a short message to our Investor Relation is appreciated. Please also have a look at our website and the coming newsreleases concerning the concrete invitation to attend these General Meeting. Please note that we do not send out a separate personal invitation by post.

## **Dean Creek Oilproject**

NWO meanwhile bought back the entire Dean Creek Project, which was sold in June 2012. NWO intends to arrange for a so called "farm-in/farm-out" with a drilling company to bring this exciting project to a successful end.

## **Listing stock exchange**

After finishing the audit of the business year 2012 the preparatory work for the listing of the company's stock is in progress. We keep you updated, please have a look at our coming newsreleases or stay in touch with our Investor Relation (see above).
